“ Darius was like a father to me, he was one of the strongest people I've ever know. He was always there for our family no matter the situation, or the repercussions, he would have to face afterwards, a selfless person, always putting everyone else before himself, but none above his grandson or daughter. I have some big shoes to fill and I'll do my best but I know I can't be exactly like you because you're the best. I love you Darius you've showed me so much I'm forever grateful for having the opportunity just to get to know you. I'll take care of the family while you're watching over us. Till we meet again know we all love you and you've done more then enough, now you get to go be with god, you get to rest.

“ I will so miss catching up with Darius at our family picnic, at an occasional lunch or other get together. He was kind, quiet, smart - always with something interesting to say. My clearest memories are of Darius as a young attentive dad. He loved taking care of Michelle, whether it was taking her to school in a wagon when she hurt her foot, making her birthday a Greek Town tradition, or adding to her impressive collection of American Girl dolls. i am sure the time he spent with Michelle and her son David the last couple of years was really special for him. Marguerite, I know you will miss your lifelong friend and partner. You were truly a bonded pair with a special relationship that lasted decades. You lost him too soon, Special prayers for you all.

“ Darius was a great brother, very loved by all who met him. Even though he lived in Indiana and didn't visit much, we talked by phone frequently, mostly about our health. I was glad I was able to see him just three weeks before he passed, when I visited him in the hospital. He texted me the next morning that it really cheered him up. I was actually on my way to visit him again on Nov. 8th at 10am, when Michelle texted me that he had passed away. He will be missed by all who knew him! Rest in Peace Darius, I am sure you are with John, Marion, Dee and Bruce! Love Eric Augustyniak
