“ I am truly sorry to hear this. I didn't get the notice until after his services. I went to Grammar School with him and David. I know Bob and Marilyn and I remember the whole family. My sincere condolences to all of you.

“ Donald was a childhood playmate when we lived on 114th Street in Roseland. We played Fort by old foundations near the RR tracks, rode bikes, explored the neighborhood and climbed a tree with his twin David. I was able to be a Tomboy with these boys and have fond memories of those times. Pamela (Ryan) Herriman.

“ I'm saddened by the passing of Don, but glad he is heaven where he is rejoicing with the lord and my dad John. I remember Dons stories and enjoyed the time singing with him on Roy's back porch. Prayers to the family and see ya in the sky Don.

“ I don't know many people at Bethel Church Cedar Lake yet but I knew this man by his welcoming happy attitude he displayed in the lobby of the church on Sundays. There was no doubt he knew the Lord and displayed the joy of such. Enter into the Glory of the Lord Don. Your physical presence at church will be missed.

“ SUCH a fun loving guy! Always a smile! It's sad how the old neighborhood exploded sending many of us to the winds. It caused so many of us to lose touch. Fond memories. Enjoyed the Dunes and how the gang included students from other grades! Nancy and I met at the dunes. Prayers of peace for the family. Enjoy your forever home Don

“ I attended the Fenger 50th Reunion recently and learned of Don's passing. Don and Dave were such a bright spot in so many of our memories of that time of our lives. So glad to watch the video and see that he had such a great life and loving family and friends. Bless you, Don. My deepest sympathy to his family.
