

Kristal Slager

November 1, 1954 - May 3, 2018

Kristal Slager, 63, of Cedar Lake, Indiana, met her Saviour face to face on Thursday, May 3, 2018, after a long battle with cancer. She is completely perfect now!

Kristal is survived by her husband of almost 22 years, Bob Slager; her children: Joshua Kirby, Rachel Banek, Sarah Saldivar, and Anna Ossewaarde; and her 12 grandchildren.

Kristal lived life to the fullest and always thought of others. It was not uncommon for her to literally give you the purse she was carrying if you complimented her on it or if you complimented her on an article of clothing she was wearing, she would probably give it to you. Though given a diagnosis of cancer several years ago, Kristal gave her diagnosis right back to the Lord.

A viewing will be held on Friday, May 11, 2018 from 4:00 - 7:00 p.m. at the Memory Lane Funeral Home, 6305 W. Lincoln Highway (US 30), Crown Point, Indiana. “ Kristal was always a good supportive friend, always smiling, always a big hug, never looked down her nose at anyone but always came to the aid of those in need, ready to do whatever it took - this is the Kristal I will remember, a really good friend to have and she will be missed.

“ I worked with Kristal for 18 years. Kristal was extremely instrumental in my career and in my life. She was one of the most loyal and faithful teammates with which I have ever had the pleasure to work with.

Her spirit and energy will be sorely missed on this earth. Love you, Kristal—see you in heaven! RDJ

“ Kris!! You finally made it to the place we are all wanting to get to! I was so sad to hear you left this world. You left us the sound of your hysterical laugh, your encouraging words, your incredible spirit of onwardness. I miss all your "rude" and very jests you have me throughout the decades. I am choosing not to be sad because we will see you very soon! You have an amazing family...love all of them too! I even adopted Uncle Bob in as well. You are such an incredible person and Heaven just got very interesting with your arrival. No, the streets of gold are not to be made into jewelry, so put it down! Love you so much...You're my forever bud. Miss you and see you shortly! Shawn

“ Kristal was a positive influence to everybody she met. She made friends easily, and made each one feel special. I had the pleasure of working with her for several years and even sharing an office together. She always teased me for the day my wife was in labor with our 1st child. I had to stop by the office on the way to the hospital to tell everybody that I wasn't going to be there for an important client visit. She couldn't believe I left my wife out in the car and went out to be with her. She always brightened the room wherever she went. Her Strength of character and faith in our Lord Jesus Christ is a great testimony that I will always remember. I am looking forward to meeting her again in heaven someday. We're praying for her family and loved ones at this time.

“ As a member of the Pit Crew from Lyons, Kristal became even more important to me when I called her to tell her that I had just found out I too had breast cancer. She told me to find strength in God. She said ‘Give the whole mess to God’. I did and almost immediately did not feel so overwhelmed with the diagnosis. I made it thru the treatment and have been able to pass on her words to many people. Like all of us, I loved her for her uniqueness and for never being at a loss for words. She will be missed.
