I love you sis. My heart breaks for you and our family. You were a great sister in law. I remember the first time I met you over 20 years ago, you slapped me because I said Eminem sucks. You were always a loving aunt. I promise I will take care of your sister as you deserved. We will always remember and love you in our hearts. You finally found your peace, until we meet again, love you!

“ She could light up a room with her smile, she had so many dreams of the things she wanted to be when she grew up. She was proud of her children and tried to overcome her struggles in life, yet fell short and lost to her struggles. She had a big and caring heart and will always be my little “hairball”. Love and miss you Amber
