“ *Thinking of Anita and her family, she was so much fun and we loved to tease each other. She absolutely inspired me embrace dancing no matter what age and to smile and laugh. I miss her very much and My Life is Richer because she was in it.*

“ We were friends since we were seven years old. Loved being together doing the things kids do. Playing in the prairies around the area. Went to the same school growing up. (Not all eight years). After high school we reconnected to do lots of phone calls about our lives. We visited when we could through the years. I will miss her laugh and our Elvis talks. We even sang songs (Elvis) of course. She adored Elvis. Hoping she finds peace and God’s leadings upon her.
