“ So sorry for your loss. Sometimes I am amazed by how long I have known people. I always felt you two were an exceptional couple, in an age where that is becoming a rarity. I know the later years have not been easy on both of you and Christina. Keep all the good times you enjoyed together in your memories. I haven't seen her in years, but will always remember her as a beautiful, intelligent young woman who somehow came to bless the life of a good friend. May she rest in peace and stay in your loving memories forever.

“ My thoughts and prayers go out to the Leyva Family and my cousins Karen and Sharon.
Annie held a special place in our hearts, she was always glowing, her laughter was truly genuine. The smile on her face, the kind words and hugs always came from her heart. She was the sweetest most precious person I knew. You will always be loved and remembered for the beautiful person you were. You'll be greatly missed. Love you

“ Annie loved to rollerskate and shop. We use to skate every Saturday morning, then when Christina got old enough we would take the girls skating. When she couldn't skate we shopped. We didn't necessarily buy anything, just enjoyed each other's company. I miss her greatly. RIP
