“ I’m Darlene and Anna has been my neighbor for 22 years. I’ve watched Elana and the girls grow up and have many memories with Anna. I’ll miss our porch and yard talks, stories of old days, and they way she said “Girrrr!” when we shared our stories. She was really brave during her transition season and she’ll be missed by me!!

“ Anna and my mother were very good friends. They truly shared so much and had so much in common-- especially shopping. They really enjoyed one another's company and shared so much laughter, good times and memories together. I'd like to think that now, they are once again laughing, smiling and watching over us, Elena. Anna had one of the most profound laughs. Even if you walked into the middle of one of mom and Anna's jokes, you couldn't help but start laughing too! Anna was always so kind, thoughtful, and warm...and absolutely comical. She truly IS a bright light, a great friend, and will be missed.

“ I am Mike Waitkevich. Anna was my wife. The only woman I ever married. We had a wonderful time together. Elena is our daughter. Kayla, Brooklynn, and Collin are our grandkids. I will always cherish our time together. Life is short, overcome petty events and always Live life like there is no tomorrow, because one day you will be right. We will all miss Anna every day but take comfort in knowing she is at peace with God.

“ My mom was a beautiful , outgoing person . She never wanted to see anyone suffer or be sad. She was always willing to help me with everything that came up in my life . Now she is at peace and I will truly miss her calling me and coming over to visit me. I have too many memories to just put one in particular , but all those memories will be with me forever . I hope she guides her light along my path in life and her spirit is always surrounding me .
