“ *I, as Tony's mother have many special memories. Tony has always been a person who was there for his family and friends. He did not often show emotion as a young man. One night when Tony was out, we had a fire in our building, somehow, Tony heard about it and came racing into the parking lot, jumped out of his car and raced across the street yelling, "where is my family, where is mom and dad and my brothers." Tony always was there for me and ready to fight anyone if he thought they were doing me wrong. My heart is filled with so much pride for the son, husband, brother, father, grandfather and person that Tony was. In my hear forever!❤️❤️*

I just heard of Tony's passing, and so was unable to pay my respects at the time, but he was a very important part of my and my daughter's life for several years and I offer my deepest condolences to his mother, Earlene, and the rest of his family. May he rest in peace.

The loss of Tony, and his brother Larry has left a huge void in our lives. The only solace we have is that they are no longer suffering or in pain and are with their dad and other family members. Always loved, forever missed, you live in my heart always! Thank you to all those who have reached out to us and Tony's family.
