“ I’m so sorry for your loss. Barbara will be miss by all. I have loved having her for a sister in law all these years. I remember when Marian was getting married and they were having a rehearsal dinner for the wedding party. Barbara and I were tasked with talking something to my mom and dad’s house. We got there and couldn’t get the door unlocked for the longest time and we both got the giggles standing at the door struggling with the lock. We laughed and laughed. We finally got it opened and took care of our task. I will always remember that.
