“ *Mrs. Beverly was a very kind and compassionate lady. As a young student I met her in the upper hallways on a couple of occasions where it was just me passing her and she was always so kind and gracious. If that was any indication of who she was, and I believe it was a good snapshot, then she was indeed a very special lady.*

“ She was a dear friend to all of Rice Sisters. We loved the opportunities to be with her when we spoke together in conferences. Her voice was so lovely, and her spirit was precious. She was always encouraging, never critical of anyone. We know her family will miss her greatly, but we rejoice to think of the joy she is experiencing in Heaven. We pray God will comfort each of her family members.

“ As a bus kid in the "60s, I remember she sang "Sweet Little Jesus Boy" each year on Christmas Sunday. She always sat in the same seat in the choir.

“ Mrs Hyles came to our church when I was a young child. She had written a book. I asked her to sign my copy of her book. Here was this beautiful, very well known pastors wife , hugging me and talking to me like I were the only person there as she signed my book! She was so sweet. I have not seen her since, but I have always treasured that memory of Mrs Hyles! Thank God for Heaven!!

“ Mrs. Hyles was indeed a true blessing , and friend to so many. She will be missed by many and with her husband in HEAVEN. To be absent from the body, and present with the Lord.
Thank you as always for your kind words,prayers,friendship. You were always loved,and meant so much to so many others. Always will remember your song " People need the Lord " . May the Lord be with your family at this time.

“ Although I never personally met this wonderful lady, I had the blessed opportunity several times to hear Dr. Hyles speak. Having been married to a wonderful Christian woman for 17 years now, I know that the great works he was able to accomplish were, in part, because she was supportive of Dr. Hyles' work and time away from home. We pray for and love the Hyles family in this time.

“ *I don't think I have ever met Mrs. Hyles, but I got a cassette that was made from a ladies conference that she was one of the main speakers. It was on the topic of the wife being the Holy Spirit of the home. I was a young wife then, and it was a powerful message and blessing. I think I will find it and listen to it again. I appreciate that she seemed to care very much about others and tried to be a good example and teacher. I'm happy for her to be with the Lord now, though I know she will be sorely missed. “ *Every Christmas Eve she would sing Sweet Little Jesus Boy and she always had a lace hanky in her hands. One time I spoke to her class at Hyles-Anderson on the proper application of make up. I needed help one time after my son was born and my mom Betty asked her dear Friend Beverly to help me and there she came folded diapers and just was her sweet precious self to me. “ Mrs. Hyles has been a tremendous influence & blessing in my life since college days in the mid seventies! She was my pastor's wife for five years. I took some of her classes at H.A.C. & heard her speak in ladies meetings many times. Her books, her teachings, her music, her kind & sweet spirit changed my life direction when I was a young wife! She made everyone feel important. She had so much wisdom. What an awesome example she was to all! She was a true woman of God, full of grace & beauty! I will forever appreciate her impact on my life! May God bless & comfort her family at this time!

“ Together again, they're together again. Her life journey here has ended like they never did part, a life here their Saviour they did serve in love spirit trails and in woes, knowing that their journey will be worth the trip in honor and in deed, so they could cast crowns at their Saviour's feet, he is showing her around the wonder of the place , the place they held so dear, one that they did dream of with a longing and a sigh, when he left, a tear, now they are all together at home, comfort, love and in grace they would say what a pretty place to me, beside the Jasper wall, the crystal sea, or the king of kings on his throne, no more do I journey on, Dr. Hyles, I am finally home. “ I was a bus, mom, had two kids and I wanted so to speak and have their names in my bible, the church, had a contest to get a book with Bro Hyles name in it, and Bro Hyles was going to be at the church, so I worked hard to get it missed it by one, did not win the book, with his name in it, so I handed my bible to Pastor to get him to sign it, that did not work , so I sent a piece of paper to the College I think, or it was the church and said Bro Hyles sign this and send it back to me, I think about it how funny that was , no response, then I was teaching my kids prayer works so I well we went to prayer, about it, it was a few months later, can not tell you what time of the year, or what day of the week it was but I looked up and they were sitting in the auditorium of the church I made a b line to them sat and asked them what her favorite song was, and a few other questions someone thought I was bothering them and tried to get me to move but I said NO and went right on she was so kind, and spoke to me like she knew me all of her life so did Bro Hyles she did not act like I was moving in she acted like a Christain lady speaking to another Christain lady, she did not notice what I had on , or did not have on both of them signed my bible I still have that bible and beside their names I wrote this how I came to getting the names, made my kids believe in prayer , so much one of my kids was doing something contrary to what I wanted to tell her I was going to pray about it she was upset it did not happen and said it was my fault that things did not happen and I was Glad for the fact I convinced her that prayer works and she still does today she pray's

“ She was a very pleasant person to know. She and Pastor visited my family in Highland, Indiana when of all times I was out of town. I sure loved her and Pastor Hyles. We both taught Sunday school under Pastor Hyles direction. Mrs. Hyles will be missed very much just like Pastor Hyles is missed. May the good Lord be with the family at a time like this we will all miss her.

I once had the opportunity to ride in the car with her from her home to the college. As we were leaving, Dr. Hyles told me, "Take care of her; a good cook is hard to find." :) I remember her beautiful laugh and words of comfort and wisdom she gave me. Proverbs 31:10

So many memories of this dear lady. She was the embodiment of a Christian woman. She spoke, dressed, smiled and went about her life doing here part for the Kingdom. I considered her to be a friend. I know that she will rest in peace as she is with her Peace Giver. I loved your Mom! LuAnne Steinker
