“ *Brad is my Uncle, My dad's little brother. I can't even express how sadly he will be missed. I just moved home to Indiana in hopes to reconnect with the family. I know it's still not too late although Uncle Brad is physically not here. He instilled the best spiritual lifestyle and advise in my tender years. The true dedication him and Aunt Sally shared with me will forever remain alive. To his wife and kids, I don't have to tell you how amazing your dad was.*
