“ *My dearest nephew Carlitos..
I have very fond memories of you from the moment you were born.
Being my first nephew was like having a little brother.
Being in grammar school together was fun and exciting. Watching
you grow into a fine young man was the best. You were always so
kind respectful and caring. Our family looked up to you because of
your loving nature. These are treasures that will always stay in my
heart ❤️ You will be truly missed but never ever forgotten.
Rest in heavenly peace with our loved ones in heaven. I will see you
again as God promised and we will live together for ever..
I miss 😭 you so much Love ❤️ always your Aunt Marie Antoinette*

“ I'll see you later big brother.

My best times with him was playing strike outs at Calumet Park (East Side) and playing basketball during summer vacation. The days would go by so fast cause we just loved hanging out and being there. Sometimes I still picture him reading the Sun-Times or the Reader.

As we got older, he was always there for me and got me out of a lot of trouble. There was and never will be anyone like him! I wish we can go back in time and be around more often but I still have my memories of him.

“ *My deepest condolences to my dear family. Carlito's passing is a big loss for our family. May he rest in peace with our dearly departed loved ones. May he enjoy the treasures he built in Heaven and delight himself in the Presence of the Lord. God's Promises are true and one day we will reunite in the Glory of the Lord. Rest well Cousin, tell everyone hi and we love them.*
