

## Caroline Moberly

December 27, 2024 - August 8, 2025

Caroline Jo Moberly was the most exciting surprise, a bonus baby! She made her entrance into this world as difficult as she could but after that she was the most happy, easy going baby. She was almost always smiling. She loved Mommy, Daddy and her big sisters more than anything. She was so content just being the baby, not in a hurry to crawl, sit up, or feed herself. She loved riding in the car and playing with Olivia tiring next to her. She loved to cheerfully scream at Clara while they played on the floor. She was loved by so many and she's continuing to touch lives even after shes gone, we've already heard of people coming to Christ from this. "His ways are higher than mine" - mama
