“ I really appreciate God our Creator for the good times he gave me with my dad of the flesh, Charles Petreikis. I remember many good times with my dad. I remember working with him helping with the accounting aspect of his business for several years. I remember the time he got a wave runner for me and my younger brother. Overall, I really appreciate the good times we had together, and I pray that God, Our Creator, would help my dad get through whatever he may need to get through in order that He could be reconciled to God our Creator, and that I might one day be able to see him again. Until then, as stated, I really appreciate the good times God gave us together!!!

“ Chuck did contractor work for me and he was one of the first down-home, kind-hearted people I met when we first moved to this area. I remember times when he would do work for me and after completing the job, would give me \$50 to take my wife out to dinner because he said he appreciated my business. Chuck was a real gentleman and a great guy. He would do anything he could to help someone. Our condolences to his family. Jim & Kim Briscoe
