

## Danny Culver

January 28, 1961 - October 26, 2025

Danny G. Culver, 64, of Pendleton, IN (formerly of Schererville, IN), passed peacefully, surrounded by his family, on October 26, 2025.

He is survived by his loving partner, Perry (Scotty) Mason; his mother, Marlin (nee Belford);

siblings Kimberly (Robert) Lawton, Timothy (Aimee), Daryl (Silvana), Rex (Ashley), Keane (Melissa), and Jerry "Jeromeski" (Dom); children Jillian (Jason) Rebeck and Josh; and many

beloved nieces, nephews, grandchildren, and great-grandchildren. He was preceded in death by

his father, Billy; brother, Curt; and daughter, Jessica (Jimmy) Blatz.

Danny's career spanned decades across industries - beginning with Wonder Bread in Chicago,

where he served as a manager for many years, later thriving in real estate brokerage, and eventually returning to the consumer packaged goods field with Best Foods, where he retired.

Danny was known for his intelligence and quick wit, boundless determination, and an unwavering willingness to help others. He was the person you could call with a problem, and

he'd always find a way to help. A true "car guy," he also loved watching the History Channel and

CNN, and could talk politics for days. Being the meticulous man he was, he took pride in everything he did and kept his home and life meticulously organized. Danny cared deeply for

everyone in his life - and would openly, and often, tell you that he loved you. Danny was complex and wonderful in equal measure - someone who loved fiercely, laughed loudly, and

never shied away from showing emotion and expressing his feelings.

In our hearts you will always stay, loved and remembered every day.

The service will take place at 6:00 p.m. on Thursday, October 30th, at Memory Lane Memorial Park and Funeral Chapel, located at 6305 W. Lincoln Hwy (Route 30), Crown Point, IN. Friends are invited to visit with the family on Thursday, October 30, from 5:00 p.m. until the time of the service at 6:00 p.m.

“ We loved Danny and he was always a joy to be around. He stayed with us in the 80s and that was the cleanest my house has ever been. The world was a better place with him in it. Larry and Teresa Sisk

“ Let me extend my deepest symathy on behalf of all his family . I was saddened to hear of death . Although I knew he was ill it still happens to soon . we had some great times growing up when he was little he loved woody woodpecker books all he wanted me to do is read them to him I can see us setting in the floor now read it one more time he would say with that kind smile of his and giving heart . That 's my most memory of Danny . Love Always Louise
