“ When I am gone, release me, let me go I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy we had so many years. How much you gave to me in happiness. I thank you for the love for me you each have shown. But now it's time I travel alone. So grieve a while for me if grieve you must. Then let your grief be comforted by trust. It's only for a while that we must part so bless the memories within your heart. I won't be far away for life goes on so if you need, call and I will come. Though you can't see me or touch me, I'll be near. With all my love around you soft and dear. And then, when you must come this way alone, I'll greet you with a smile and a "Welcome You Home"
