“ *I'm so happy to have known David. Now... sorry for the struggles his last days but thankful he is with our Lord. David and I had the opportunity to talk about our faith and pray together. That was a blessing . David was a tender hearted man, always hoping for the best with optimism. He was a gentle older brother/friend to my son Anthony . David was adamant about giving Anthony direction into the better things in life, and wanted to protect him. I know he loved Yvette and was hoping for good things in this life. I pray for all of us, that we would love each other more and be gentle to one another. Remember, David's beautiful smile..... his face would light up. I look forward to seeing him in heaven just so!*
