“ This has been one of the toughest times of my life, our family is at a loss for words. We appreciate all the prayers and pouring out of love from so many people. I know with all my heart that David believed in the Lord Jesus Christ, he was saved and Baptized many years ago. He is spending eternity in Heaven with no more pain and suffering. I love him with all my heart. He loved Elias Ofelia and Donny so much they meant everything to him. There is nothing he would not do to protect any of his family. He will be missed so much. It still seems unreal to me. I just pray that God can comfort all our hearts through this difficult time. Hold onto your family love them always and tell them you love them never say goodbye always say see ya later, David until we see you again watch over all of us. 💋💕 I love you forever and always.

“ Bud,

Your soul was one of pure love and devotion to all of your family. You loved with your whole soul and never held a grudge against anyone for anything. I will miss your big bright smile and your silly laugh, I will miss how you made me laugh and will always remember you being the one who could always bring a smile to my face. Our times together in Frankenmouth, at the beaches, the carnivals and fairs, putting in the pool at my house, all the bbqs and gatherings, the forest preserves, the list goes on and on and you were the one who gave me the brightest memories of those times. Your laugh was contagious and was something we all loved catching. You made everyone else laugh and filled our souls with such love it will never be the same without you. I love you and until we meet again, remember A breath always not far to where you are...
