“ My Esther. I will miss your sense of humor, kindness, and ability to tell off everyone in the room. You always checked on everyone and thought of yourself last. Your presence will be missed by so many but especially by me. Until we meet again my friend. I love you dearly.

“ My dear Esther words cannot express the sorrow I am feeling knowing that I will never hear your voice again. You made many days at work, a joy. You gave me many episodes of uncontrollable laughter. I will always remember you as my little fussing, cussing work, mama. You will always have a place in my heart. I know you will keep your eyes on us and one day we will meet again. Love you always your angel Lisa Conner.
