

Eva Terrazas

April 9, 1937 - August 10, 2017

Eva Terrazas, 80, of Oak Lawn, Illinois entered eternal life on Thursday, August 10, 2017. She was born on April 9, 1937 in Durango, Mexico to Octaviano Terrazas and Celia Terrazas (nee Del Villar).

She is survived by her siblings: Fidel Terrazas, Bernarda (Alberto) Rivera, and Manuela Terrazas. She was a loving mother to: Lt. Colonel Enrique (Claudia) Hernandez, Christopher (Gail) Hernandez, Jesse Hernandez, Manuel (Connie) Frausto, and Ricardo (Teresa) Diaz. She was an adoring grandmother to Brian, Amanda, Diego, Felipe, Adam, Cora Marie, Nathan, Joshua, Dennis (Christine), Brock (Pam), Amanda, Charlie (Kristie), Matthew, Sam, Monica, Bree, Riley, Leilani, and Ulysses and was blessed to be great-grandmother to Marley, Cayden, Sebastian, Nathan, Hannah, Carlie, Emmie, and Evelyn. She was a loving aunt to many nieces and nephews. Grandma Eva was preceded in death by her beautiful angel, Cora Marie, with whom she will rest near for all of eternity.

Eva was born in a little town in Durango, Mexico and immigrated to the U.S. in search of a better life for her family. She was a single mom who worked very hard all of her life, working various jobs including as a meatpacker in the tough Back of the Yards meat packing industry where she worked for over 20 years. Eva fought and worked hard always putting her five boys first. Her family never went hungry and were always provided for through Eva's hard

work and dedication. She protected and single-handedly kept her boys off the tough streets of Chicago. Her joy in life was her boys, their families, and most of all her beloved grandchildren and great-grandchildren. A hug and time with family is all she asked for and needed.

Eva Terrazas, a rock, a strong woman, who persevered against all odds and never gave up. A single mom doing all she could to raise five boys whom she was blessed to see grow up into honorable manhood. Her shining light will always and forever be with us and all of the people whose lives were touched by her big heart.

A visitation will be held on Saturday, August 19, 2017 from 9:00 a.m. - 1:00 p.m. at the Memory Lane Funeral Home, 6305 W. Lincoln Highway (US 30), Crown Point, Indiana. The funeral service will begin at 1:00 p.m. with burial immediately following the service.

*I thought I saw her face today
In the sparkle of the morning sun.
And then I heard the angel say,
"Her work on earth is done."*

*I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
"There's peace little one at last."*

*I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies."*

*I thought that she had left me
For the stars so far above.
And then I heard the angel say,
"She left you with her love."*

*I thought that I would miss her
And never find my way.
And then I heard the angel say,
"She's with you every day."*

“ *Querida Tia,
I remember the beautiful memories you have left us with growing up together side by side (through the thick and thin of it). Mostly, the holidays, celebrating birthdays and the days you and mom and dad just hung out. Those are sweet memories. Not to mention your being so prayerful and loving in the life of our children Luz, Gabriel and Mia.*

Today, what echoes in my ear is your reminding us to care for each other and how you selflessly always thought of others. You are an amazing mother and even though you are not physically with us your perseverance to live life - and live it to the fullest - will be your legacy to us all.

It is so difficult to say good bye, but I want to thank you for all of this. God, I am going to miss you.

Que Dios te bendiga, Tia, and until we see each other again,

“ Rest In Peace to my beautiful Mom. My heart is broken but your fire will never die out and continues to light our path and give me strength. Thank you for everything that you did for me and my brothers. Thank you for demonstrating that we are stronger than anything this life can throw at us and that we can overcome adversity even during our darkest hours. Thank you for making me the man that I became and for teaching me the way to honorable manhood, to being a good husband to my wife and the true meaning of being a good father to my children. My broken heart is strengthened by the knowledge that you are still by my side. I find comfort in seeing your strength and courage in my children, nieces and nephews. I fear nothing because you showed me how to be strong. I am happy about the future because you lit the path and showed me what the future can hold. I rejoice because Eva Terrazas lived to see her cubs become lions. I will see you again.
Love always your son

“ Mom, I miss you so much it hurts like nothing I've ever felt before. A day don't go by without me thinking of you and wondering what I could have done to have been there when you needed me. Maybe be you would still be with us. I promise you will never be left alone again as my commitment to accompany you in eternal life has been made and arranged. At your side we'll be together forever. Your in good company in heaven with your brothers and sisters, mom and dad and the daughter you never had a chance to raise. I know you loved us all unconditionally and we thank you for that. Your life and legacy is a testament of how a mother can overcome the worst and make the best. This shows in how your 5 sons grew up to be your pride and joy. We couldn't have done it without your love and guidance. Filling the role of the mother and father , protector and provider you overcame the odds. With that strength and determination your job was done. We are strong because of you and only you mom. Watch over us and take care of us. Your free of the pains this world has imposed on you. Spread your wings my angel, I'll be there with you when god calls me home. Te amo madre Mia, con todo mi alma. Tu pecoso, Manuel " Manny" Terrazas-Frausto.

“ *Tia: I can not begin to explain how many beautiful memories I shared with you. You were the match maker for my parents, the back-up chancla thrower for my mom, the Aunt that would buy me crayons and coloring books; so many times I was so happy going to visit you, to listen to your awesome laughter, to get one of those great big hugs you loved to give all your children, to hear you get mad and curse (my favorite). We would stay by your house for hours on end and I loved it. I miss it. I procrastinated and now I regret it. Tia, I want you to know as I want them to know, that you have given me one of the best gifts ever: my brothers.*

Thank you for loving all of us so unconditionally. I promise you we won't let you down and we will be more united than ever. Til we meet again.
