“ Evelyn was one of the first people I remember meeting when we moved to Indiana many years ago. She worked in my boys SS department. What a sweet lady. Always a smile and a kind word. I loved seeing her, Eileen Sallade & Maxine Roberts sitting together in SS at FBC. Always faithful! I remember when my husband worked security at the church and one Sunday morning there was a car that got to hot and the window shattered. He cleaned up all the glass and made sure he was there when the people came out of church. It was the Junkens! He felt awful about their car but they were so grateful that he cleaned it up for them. Will be praying for your family. I know she will be missed.

“ *My most fondest memory of Aunt Evelyn was that when I was much younger she made sure to include me in their family. That made it easy for Linda and I to become close. I was always made to feel welcome.*
