“ Henry,  
It really shocked me  
To learn you left me  
A kind soul set free  
My eyes get teary  
My heart is heavy  
My days are lonely  
I remember fondly  
Your blue jean dungarees  
Conversations came easy  
It really shocked me  
God set your soul free  
I'm left here guilty  
At myself angry  
Deaf to your silent pleas  
For you, I hid a key  
Only if you leaned on me  
A burden is easy  
With help to carry  
But the Powers to Be  
Did not agree.

*Farewell dear friend, our paths have crossed. We've intertwined. My heart into yours, yours into mine.*
