“ We have known Inez and her family since she was a teen girl -- she spent weekends and Sundays in our home and when I had kids, she would come and watch them when we were out of town. Of course, because of Facebook, we could keep up although we lived many hours apart in recent years...Inez always commented on my adult kids and now grandkids posts -- she never forgot a friend, and she had many...she will be truly missed...love and prayers to Josh and Jaxon, and her sweet mom...sent with love and a very sad heart...🙏😔❤️
