“ *The first thing I think of when I think of Uncle Jamie is that he was truly a man of God. He lived what he believed every day. The next thing I think of is all about his sense of humor. He told the best stories, loved to tease and pull innocent pranks on unsuspecting loved ones. He would always tease me into giving an extra hug or kiss when we visited. I am thankful for the love and fun our two families shared as we were growing up, and for the example he set for us.*

“ My grandpa was a wonderful , Godly, hard working man and he is going to be greatly missed by so many. One thing I loved about him was all the stories he would tell me when I visited him. I always liked listening to what he had to say even if I had heard the story a few times before. I also loved how him and my grandma would tease each other and would just make me laugh and laugh! You could always tell how much love my grandpa and grandma had for each other. Another memory of grandpa (like most of us Snider’s)was his love for good food and a lot of it! I remember when I would visit him and grandma in the summers when I was a kid and he would make big breakfasts with bacon, eggs, sausage, and biscuits with molasses and butter. For dinner one of my favorites that he made was French dip. I am truly thankful that I was able to see and visit with my grandpa one last time a couple months ago. Grandpa, you will never be forgotten! I am proud to have named my son after you, my dad, and my brother! My son James truly has some big shoes to fill! Love you Grandpa! I know I’ll see you up in heaven some day!

“ *I love you, Grandpa! As I took my son, Eli, for a haircut today I was reminded of great memories as a boy going to get my haircut with you. One of a million great memories! I miss you dearly already and am so thankful for you, Grandpa. All my love, Bryan*

Same here Bryan. I remember they had to put the board over the armrests for me to sit on. I still to this day always tell the barber I want it tapered in the back, just like Daddy always ordered!
