“ *My Heartfelt sympathy extended to Johnny's Mother Ann
and his two siblings as they
adjust to the physical death of such a special man ...who I
have known & loved since he was a teenager.
Tho' it grieves me deeply that I missed the opportunity to
tell him that in person before he went to His
eternal home in heaven ..I am comforted that he will no longer suffer earthly
pain...and that never again will he have to cry earthly tears over the
death of a friend or family member.
In the midst of the sorrow I am feeling over Johnny's physical death ..I am
reminded that Our Creator hates ugly death even more than we do ..even calling
it the last enemy to be put under His foot ...knowing that brings me much comfort
..
as I pray it helps the family as well.
God Bless You.*
