“ I was thinking of your mom today, I'm not sure why she popped into my head, but she did. I have many fond memories of visiting her with my mother, Maryann, at her house on Madison Avenue in Hammond. She was an amazing lady and a good friend to my mama. ❤️

“ Having had a long and loving relationship with June, I rejoice in her homegoing. It was her desire to be with her Lord and loved ones who went before her. May God comfort the family and give them peace. You did the very best by, and for your mom Blessings and prayers, Glenda Ramsey
