“ Don, I am heartbroken for you and your family. Knowing Linda was a godsend to me. Her medical advice and her cheerful spirit were both of great value. I send love and best wishes to you and your crew, and I hope that you will always feel the warmth of Linda's love and encouragement Mary Ellen M.

“ Belinda Donaldson Brill was our neighbor, our friend, my home nurse when I had breast cancer, and also one of the sweetest people I ever knew.  
When I was born; she would walk across the street and ask my mom if she could hold me . She did this often.... And even as a grown up now, she would always bring it up telling me how beautiful I was and still am. She never had a bad word to say about anyone. She always lifted everyone's spirits and would be there for you anytime you needed her.  
We always talked about our grandkids and how much we loved them and how proud we were of our own children.  
She was truly an angel on this earth as she will be in heaven.  
My heart goes out to her husband Don, her son Don and her family as she will be sadly missed; as well as her grandchildren.  
May you rest in peace now my friend.  
Until I see you again.

“ Belinda Brill (Linda on Facebook) has been truly the sweetest lady I know. I met her through my jewelry business and the sweetest customer I know.

Thank you for being a good sweet friend. ❤️ Thank you for the many visits and our talks. You are a blessing to me, and I know someday we'll meet again.

Those 2 pieces of jewelry that are waiting for you.... I will pass it on to your granddaughter.

Oh.... and thank you treating coffee a couple times when stopping by and also for my Leggings you got me for no reason... just because you wanted to.

You love giving and have the deepest love in your heart. ❤️

Spread your wings sweet friend.

I'm going to miss you.

“ *I'm just seeing this and can't believe what I'm reading. We didn't see each other for a long time, but kept in touch via Facebook, sharing grandkid pictures and life experiences. Heaven gained an angel but left a lot of broken hearts here on earth. My heart goes out to your family, especially your grandkids that you adored. Keeping you all in my prayers.*
