“ Robbie and Lisa and family,
Sending my deepest condolences to you all. I
ran into mom several years ago at Walmart
that's the last time I saw her. I remember all of
the times celebrating birthdays and holidays
when everyone would get together (the Bondra's and Piekarczyk's).
RIP now Linda no more pain. Bonnie Bondra Ubik

“ This really saddens me. Linda was always so fun and I really got to know her when we hung out on the beach in CA. I will miss seeing you at family parties. 😭

“ You were the fun aunt and the one everyone wanted to be around. You were smart, caring, thoughtful, beautiful, hard working, generous, hilariously funny, the best maker of caesar salad, and the biggest baby lover I’ve ever known. The way you lit up when saw your kids and grandkids was so sweet! Thank you for being the best sister and friend to my mom. You were always her ride or die. I’m lucky to have so many good memories with you! Going to miss you!

“ I can't believe you are gone. I'm trying to be grateful that I was blessed with such a wonderful mom for 52 years, but it just wasn't long enough. Remembering all the trips, dinners, get togethers, drives, shopping, talks, holidays, and parties will ALWAYS bring a smile to my face. You are missed more than I can say. I know you will still be with us until we are reunited. Truly, I could not have asked for a better mom and grandma. Not sure how I'm going to do this without you. 💔 Lisa

I have such fun memories of my cousin Linda. From her babysitting me, to our poker games, to seeing her on the holidays. She had a terrific sense of humor and always made me laugh. I will miss her dearly.
