“ I was Linda's neighbor in Matteson. Our children grew up together, our husbands played poker together it what I remember most is our long long telephone conversations. She would call me after our youngest babies went down for a nap and I would call her while we fix dinner for our families. We talked for hours. Loved those conversations she was so funny I also miss our bunco club. We had some pretty late nights playing bunco and always a lot of fun. Linda was all about family friends and enjoying life. I know she's planning the menu for a big celebration in heaven as she is reunited with family and friends. My heartfelt condolences to Ron and Jaime and the rest of the family. I know this is a sad time for you especially during the holidays just try to remember all the good holiday memories you had together. Love and prayers to you all Gloria Maranda
