“ For some reason I was thinking about Malcolm tonight. I know his family and friends must still be hurting. I was in a small group Bible study with him. He was always so nice to me and would talk with me when I didnt really know the other people. I didnt know him very well, but he was so nice. Hearing about his passing broke my heart. My prayers go out to his loved ones.

“ *Tisha and Marion, my heart is breaking for your loss. My son John was in Malcolm's class at HB. They were close through the years. I remember Malcolm being the happy, friendly one in John's circle of friends. When I think of him, I will only think good thoughts, and the loss will be deeply felt by many of those who watched him grow up.*

“ I just want to say I am so so sorry to hear about Malcolm. I knew Malcolm for the short time he served with me at Lake Central Campus Life Youth For Christ. I remember a kind young man that cared about the kids. I have to share a story that I will always remember him for. My son Micah was a freshman at Campus Life and because I was a volunteer leader I "forced" him to go even though he did not want to be there and did not know anyone. Malcolm took my son under his wing and always sat with him and talked to him at Culvers afterwards each week. Now Micah is a sophomore and loves CL and is a student leader. My condolences and many prayers to your family, my heart is aching. I just wanted to share that memory as I only knew him for a short time. I just thought he was the nicest young man and he did impact my son and I am sure many more. I will continue to pray for your family,

“ *While Malcome and I went to the same college together my vehicle broke down in the nearby mall parking lot. My sister called my brother- who was hanging out with Malcome- and Malcome came and fixed my van. He was always there for you! He would always come up after a rough day and try to make you laugh.*
