She was preceded by her mother and father, bonus mother, sister, and niece.

Marijo was one of the most thoughtful, kind, and faithful people. She exhibited a sacrificial, caring love toward everyone she met. Marijo Amelia Sherly Huetten, age 68, of Chicago, Illinois, died on November 14, 2025.

Marijo was born in Chicago, Illinois, in 1957 to John and Jane Sherly. She completed elementary and middle school at Annunciata School, then attended Washington High School before studying at Lewis University.

Marijo was active in her church, and her faith in the Lord was always on display. She faithfully attended First Baptist Church and devoted herself to reading the Word and praying. Her faith gave her the strength to endure every trial. She was consistently filled with gratitude and knew that, without Jesus, there was nothing. He was her foundation and her friend. He was her hope.

Marijo will always be remembered for her kindness and humble resilience. She was a strong woman but did not take pride in it because she knew that

glory belongs to the Lord. We could not have been more blessed by such a wife, mother, grandmother, daughter, sister, aunt, and friend.

“ *Marijo became more than just a co worker to myself and many of the employees here at her previous job. Marijo worked at Munster Community Hospital and was one of the most caring and loving person I've encountered. She always cared about everyones needs and would always pray for me. On Christmas she would always bring a blessing wether it was a bible or something else you really needed. She was polite and just made you feel better if you were going through something. I have flowers that Marijo gave me to plant and every year and every year that they bloom I will think of you Mari Jo. Love you.💕💕*
