“ *In 19 years, my awesome Handsone showed me what true love is. Meeting others needs before your own. He would stop whatever he was doing to help me do something or find something. He is my best friend, my sweetheart, my compsnion, the one who my soul loveth, and the lover of my soul. He loved me as Christ loved the church.*

“ *I am so grateful to Mrs Linda and bro Mark for making my Christmas break special my first year at hyles Anderson's college. (2009? I think) They took us to dinner at the rainforest cafe, we ordered the brownie volcanoe dessert and they let us pick out a souvenir! It was an eventful night where we went to a giant arcade at the ESPN center and also did window shopping at Macy. What wonderful people! Thank you again for making Christmas special when I was away from family and most of my friends!!! I am trying to find the picture I have in front of the Macy's tree.*
