

## Mary Fasel

February 20, 1958 - February 13, 2023

One week before her 65th birthday, Mary Kay Fasel (nee Newlin) of Merrillville, Indiana, was reunited with her parents and brother Dan in Heaven on February 13th, 2023 after fighting a long and difficult battle with Alzheimer's Disease.

Mary Kay is survived by three sisters, one brother, loving husband Darrell (42 years married), her children Jayme (husband Paul), Mitchell, Jonathan (wife Kym), seven grandchildren, and her caretaker Julie Holton.

She was a generous caretaker herself, working in healthcare as an Licensed Practical Nurse.

Mary Kay treasured spending time with her grandchildren and sharing her adoration of the great outdoors. She also relished vacationing in Colorado, spending time with her sisters, horseback riding, hiking, state parks, and walks by the river. She loved all animals, especially her many dogs (her favorite was, German Shepherd Rex) and horses. When she wasn't enjoying the great outdoors, you could find her chatting and laughing on the phone with her friends and family.

Mary Kay will be missed by everyone's life she touched.

A celebration of life will be held from 5pm – 7pm (6:30pm Service), on Friday February 17th, 2023, at Memory Lane 6305 W. Lincoln Hwy, Crown Point, Indiana 46307.

In lieu of flowers, contributions to your local Humane Society would be appreciated.

“ I am finding it difficult to share just one memory of my sister when there are waaay to many for me to list/talk about. So I will stick with just one. Her talking addiction! And she sure could yak couldn't she? I mean seriously!! Mary & I would talk about anything / everything and yes nothing. Talk. Just talk. You name it. People who knew Mary know how much she loved to chat. ALOT!! But I also remember when I would have my ups & downs she would listen with both ears and in silence. Always. Sure we had our differences but in the end everything was cool between us. That's just how we flew. And then the next time when we would talk on the phone (AGAIN!) or get together we would just start chatting about something else. It all worked out. Not only was she great company with me alone but with others around as well. An ice breaker at times. She just had the knack for it. Even people she barely knew. I could go on and on about Mary's personality and nature but the people who knew Mary know how she was. She was just a downright beautiful person with a gracious soul. And don't forget that quirky sense of humor of hers!! She was not only a sister to me but also my sounding board. She was also my go to when I was in a bind and needed advice. But most importantly to me is that Mary was also my best friend. And that is what I will miss the most.

*I love you so and missing you terribly--- peace to you Mare, dawn*

“ We all collect trinkets from here and there over the years. They're just trinkets and they end up in the garbage. No reason to keep, they don't mean anything. But our Mary was a treasure.

*The laugh, the hair and the cadillac Life will never be the same.  
Very sad but will cherish the short time you were with us.  
With tears and love,*
