“ Our thoughts and prayers are with Millie's children and their families. I have loved Millie from the first time I met her. She and Jim brought Sharon to Houston for flight attendant training in 1984. I was lucky to be her roomie. They were so happy and relieved to see that I was 40 and not a young party girl. Sharon quickly became a member of our family. That was the beginning of a long and loving friendship. I will miss her but I know she's with Jim and our Heavenly Father. RIP dearest Millie, I love you.
