

Myron Slack

June 8, 1936 - May 16, 2022

Myron George Slack, Jr. peacefully passed away on May 16, 2022. Born on June 8, 1936 and raised in Whiting, Indiana, one of his favorite statements was, "You gotta be tough to be an Oiler." He demonstrated that toughness, strength and pride throughout life.

Myron's path was full of adventure. He sailed the sea in the United States Navy, and shortly thereafter, found the love of his life, Sandra (Jacobson) Slack. Together, they established a home away from home in Charleston, South Carolina, sharing countless trips with family and friends for nearly 20 years to the palmetto state.

The University of Michigan Football Team found a diehard fan in Myron. He spent 28 years traveling with loved ones and friends to cheer on the Wolverines. When his years as a season ticket holder ended, he enjoyed watching Turner Classic Movies and shows like Svengoolie, educating those around him about classic films and other historical elements. Myron was an avid reader and loved sharing his books with family and friends.

Above all things, Myron was a family man. He is survived by his wife of 63 years: Sandra; daughters, Tracy (Tom) Thegze and Debbie (John) Bachmann; son, Chris Slack; grandchildren, Samantha (Steve) Bass, Nick (Katie) Ferguson, Lauren (Phil) Emmert, and Ben Slack; great-grandchildren, Henley, Lucy, Mason and Cru and brother David (Kyra) Slack

“ Chris and Debbie you and your families are in my thoughts. Your Dad was a great guy always had smile and funny comment or joke. He treated us like we knew the right thing to do - even when we were considering a different path

“ Slack family, My heartfelt condolences to all. Mr. Slack was my other dad. Just so many memories of times spent together and stories that were told. I was given a picture just recently and have it at my desk so I want to share. I couldn't have imagined my childhood growing up with him and the whole family. Always remember the memories, as they are what will get you through the rough times. All my love, Loretta
