“ Thanks for making such a huge impact in so many peoples lives, especially mine. We will miss you a lot! Tell Grandpa we said hello! Remind him you outlived him by four decades using sheer will, smarts, humor, tenacity and a love of life and your family. Will see you again when my time comes! Until then, just know you made a difference and the world a better place.

Your rambunctious, busy, and loving grandson

“ *Aunt Jean was the sweetest most honest loving person I have ever met. She always had a smile on her face for everyone. I don't ever remember a cross word or look from her. She has always been my favorite Aunt. Dad loved the last visit he had with her when we took Mom and Dad to Indiana to visit her, he spoke of that day often. Grandma and Grandpa and all of her siblings are again together. ❤️💕❤️. You are all in my prayers, hugs and kisses to all. Heaven is shining bright with all of their smiles.*
