November 17, 1971 - February 24, 2018

Mr. Oscar Moreno, 46, went to Heaven on Saturday, February 24, 2018, after an extended illness. He was born in Chicago, Illinois on November 17, 1971. He is survived by his wife of 23 years, Becky; and his children: Marc, Adriana, and Victoria; his mother: Reina; his four siblings: Alicia, Inocencia, Daisy, and Angie; and many nieces and nephews.

Oscar was a fun-loving person and he had the ability to make everyone he met feel loved and very special. He will be greatly missed.

Oscar and his family are members of the First Baptist Church of Hammond, Indiana. Many years ago, Oscar had the privilege of being a security guard for his Pastor, the late Dr. Jack Hyles. He was also a Sunday school bus captain and loved picking up children to come to church as that is how he came to church as a little boy.

“ Oscar Moreno - a Friend, always Cheerful, an example of a great Father, an example of a great Husband, a Helper, an example of a Man, Honorable and an Honor to know, Respectable and Respected others, Dependable, and an Example. It was my honor to know brother Oscar through the New Grace Sunday School class at FBC. Through the two years I knew Oscar, I always saw him cheerful. Seeing his family, I saw his leadership. Working with his son Marc, rehabbing a house, I saw Oscar's character as a father. The day we left for the Mission field, Oscar showed up, with his family, unexpected at our apartment. "Don't worry about anything, I will take care of it." he cheerfully said, a helper and friend. Now he will be Missed, until I see him again. My condolences to the Moreno family in their Loss. My congratulations to Oscar for a job Well Done!!

“ Oscar was a great guy. Even though I knew him from church, he also worked across the street from me when I worked in downtown Chicago. You meet very few people that were the caliber person Oscar was. I tried to change his bad taste in football teams, but he went whole hog for the Packers.

Most of the time I would give him a hard time about being a Packer fan, but he never trashed talked the Bears in any way. He just told the truth; that they suck. Unfortunately it is true.

I am really gonna miss him. Some of my favorite times were giving him a ride home from the train station. Many hugs and prayers to his family at this time. You lost a great man but heaven gained a great man as well.

“ *Something that I added to my life with the help of Oscar Moreno was that of easing the mundane or difficult parts of life with joy and humor. I enjoyed being around him. I enjoyed ministering to others on the bus route and in Sunday school with him. He enjoyed beating me up in our skits ;-)* As a single college student, I also benefited from seeing Oscar and Becky's sweet, close, communicative, and appropriate marriage relationship. I saw that though the ministry is important, one should keep that relationship as high priority. Oh, his family introduced me to good Cuban chorizo, too....So, important!

“ *Oscar was one of my favorite people I knew at HAC. Funny, tenderhearted, always smiling. We had a lot of fun back in the day in evening college chapel. So sorry he left us, and we are praying for the family. Just think of what he must be doing now!*

“ *So many times of joking with Oscar. My friend Annie and I loved to give him a hard time, and he could give it right back. Becky, you were always so sweet and friendly around college, and I was so glad when he married you. A lot of good memories of y'all. Praying for you and your family.*

“ *This is devastating news as I've not been in touch with the Moreno's since moving to the Northwest. Always enjoyed working with Oscars at the RR, in the security department at church, and in the same Sunday School department. The skits for the kids were always fun. Oscar most assuredly loved the Lord, his family, his church, and everyone that he was around. I loved brother Oscar.*

“ *Our loss but Heaven’s gain! Always teased with Oscar about his Cuban heritage. Always delightful and he always had a smile on his face. I enjoyed working with him on security, especially on the plain clothes detail around Bro. Hyles. Oscar we loved you and we will miss you. Thank you for being my friend!  
Becky, Mark, Adrianna, and Tori - we send you our deepest sympathy and sincere condolences at this time. May the Lord wrap His loving arms around you and may the Holy Spirit comfort you in a special way. We are here for you. - Bruce Campbell*

*Becky,  
It seems only fitting to me that Oscar is now in Heaven where Sarah (Brown) Biber has been for over a year! Those two could make anyone bust a gut and together look out! Several sombody's are gonna be laughing their heads off! I love you, Becky. I have such fond memories of you two dating when you were my dorm girl. You have said goodbye to your husband, your sweet children have told their Dad so long and I feel like I won't see a "son-in-law" till I reach Heaven.

“ Chapel Ministry Fall Rally.  
Basketball game at Hoosier Auditorium.  
The other team recruits David Peach!  
I'm coaching against him, but Tommy Cuozzo and Oscar Moreno  
are on my squad.  
I put Oscar on D.P., and said "just be yourself, you know, frustrate  
him so he stays outside.  
Oscar spent a whole game just being Oscar, and we won the game!

I have so many memories with that crazy Puertocan, but that's my  
fav.

“ Many great memories with Oscar.....Attending HAC sitting in amen  
section as one of the “beloved” Shiites on Wednesday when Bro  
Hyles would come to chapel.....Serving together in bus ministry in  
Divison 3.....Jr-1C Sunday school department skits.....and probably  
one of the greatest privileges that we thought was the  
greatest.....serving and getting to be around Bro Hyles as we  
worked EP Security, especially during the many years of Pastors’  
School and Youth Conference.....will never forget the ‘Blue-Belly’  
situation during one of the conferences when we were apart of a  
meeting with Mark Crockett and Rick Bartley.....So many fun and  
memorable times with Oscar that will last a lifetime....Looking  
forward to the time when Oscar and I can relive them together when  
we meet again! It’s not ‘good-bye’, but rather I will see you later my  
friend!! Thank God For Heaven! Lee Comstock

“ I have known Oscar and Becky for quite some time. I knew Oscar somewhat before he attended college. He was a special, happy-go-lucky young man who was a pleasure to be around. I would tease him some about his Cuban heritage because I was from New Mexico with a lot of Mexicans.  
The last time I saw him was just a few weeks ago. He was at Wal-Mart with his girls. He was still happy, joking, friendly as always, and how I will remember him.  
God bless each of his loved ones and give them special comfort at this time.
