“ *Dear Lothar, Debbie and the Gehrig Family,
So sorry to hear of Otto's passing. He was a kind and gracious gentleman. Otto lived next door to me for almost 10 years. We shared many a conversation about his life experiences, his family that he was so proud of and his many trips back to Germany.*

Treasure the memories and may God bless your family during this trying time.

“ *My beautiful Grandfather “Auto” as I used to spell his name, was one of the strongest, most loving and and kind men in my world who invested so much of himself including his time and love into his family and especially his grandchildren. From the HBO video cassettes he used to send me to the flowers he had delivered the day my son Fletcher was born. My Opa had an inner guiding strength and stability that had a huge impact and is the reason I’m here today. Opa, your light, strength and love lives on in each one of us. Your story has been and will continue to be told. I love you so much. Sweet restful sleep Opa.*

I met Otto in June of 2018 at Cardiac Rehab where he worked out religiously for the past 22 years. I am of German descent and a history buff of WWII. My father was in the Army Air Corps and flew on B-17's during WWII. Otto had a memory as sharp as a tack and I greatly enjoyed spending time with him telling me about his life experiences in Germany during and after the war when he moved to the United States. I could and did talk to him for hours at a time. He was a kind gentleman whose smile could light up a room. He was loved by all at Cardiac rehab. I will miss him greatly. Auf wiedersehen my friend until we meet again. Your friend, Dave Henschel.
