“ *Mom, how could a girl be so lucky to call you Mom? You were my first and best friend. I remember taking days off school just to go grocery shopping with you, because you were so much fun to be with. I'm going to miss you so much, but I'm so glad you're all better now and that you and Dad are together again forever! Thank you for loving my Jakey in the short time you got to be his grandma. I will miss hearing him squeal when he crawled around the corner in the morning and saw you in your chair. I love you and can't wait to see you again. Until then, XOXO.*

“ *What a dear aunt she was, and of course, I was her favorite nephew or niece :)  
I never heard a harsh word come out of her mouth--although I'm quite sure Kerry probably did a few times.  
What a loving person she was who deeply loved her family and friends.  
Until later, Aunt Patti, see you later.*
