“ Our brother Peter was a wonderful person, and although we didn't know him the majority of his life the 9 years we did share together we knew that he fit right in. We all spent as much time getting to know each other every minute we could, If it wasn't all of us meeting up in Vegas for a fun time, or going to my sister's home in Florida, breakfast with the other two stooges, or just talk over the phone we made sure we were family. Peter was so HAPPY when we met the first time, and it seemed from that moment that we all felt the love for each other, Peter, I love you bro and you will remain with us in our hearts at the breakfast table when the other two stooges meet.

“ I am Peter's sister-in-law Diane Meyer. Peter was given up for adoption when he was born. Kathy Bogon Tried for many years to find the brother her two brothers and a sister never knew. Adoption records were released and Peter did his homework and found his blood siblings. It was a joyous day when we all got to meet Peter. His newly found family threw a reunion and and Peter got to meet all of his extended family.members. He got to meet his sister Judy in a nursing home before she passed away. He never got to meet his birth parents but by now they are hugging and kissing in HEAVEN. Peter's brothers Mark and Gary Meyer (my husband) and his sister Kathy were very close for those 9 years before Peter passed. Thank you God for helping Peter find his family before you took him. We all loved him and will go on loving him forever. He is missed so much. R,I.P. dear Pete!!

“ *It was just about six weeks ago when Peter contacted my brother and me after about 60 years. We were good buddies as kids on Keating Avenue in Chicago. We spent long summer days playing 16" softball, riding bikes and having fun. It was great to speak with him again a short while ago. I am so sorry for the family. May he rest in peace.*
