“ *There are so many wonderful memories I have with Raquel and her family. Growing up with her daughter as my best friend, I was welcomed in as one of her own very naturally. It would be easiest to say that when I think of her, I think of her always with a smile and laughing. Her sense of humor and her hard work ethic always were apparent to me. Her love for her daughter and grandchildren was immeasurable. I know they will miss her terribly, but I know she will never be far from them. Prayers to her entire family at this difficult time. I am blessed to have had the opportunity to share some of my life with her and her loving family.*

You raise me up to walk on stormy seas
