“ Gee where do I start? Her house parties and family get togethers were always over the top! She was always a busy bee....cooking and multitasking in the kitchen, and somehow made time to greet family as we entered her beautiful home. I don't know how but she did it! She was always very happy and thrilled to have everyone over....very family oriented and more! She will be sorely missed for all time!

Love you always Tia Becky!!

Just saw her at Ryan's wedding, so glad I got to spend with her, I remember her dancing and horseback riding. She was amazing and I played softball at inland. She was quite the sportswoman, a great lady, and proud of her family. Sending prayers to her dear Johnny and family, may Becky rest in light and love forever 🙏🌹
