“ *Mr. Liebig was a very dear friend. I met him at First Baptist Church when I was in college. He became like a favorite uncle and friend. My husband and I have been serving as missionaries in Australia for more than 20 years and he was a faithful supporter of ours until he went on to heaven. I can just imagine him having a wonderful time up there catching up with lots of old friends. Can't wait to see him again there one day.*
