“ *Robin was such a wonderful person! I met her after her and Tom got married. I knew right away that she was a Godly woman. I never got to see her much because I live in Tennessee. But she will always be in my heart ! Just recently, while still battling cancer, we were texting and she said she was doing a puzzle. She asked if I liked doing puzzles and I said yes. In a few days a package came. She sent me a puzzle! While she's going through everything that she was going through. She's thinking of me. When I finish putting the puzzle together I will be keeping it together and making a picture out of it. I will cherish it forever because it was from my wonderful friend Robin! I am glad that she is no longer in pain and she is at peace. But I am definitely going to miss her!*
