“ I went to church with Aunt Caroline and Uncle Dan one Sunday, after church we went to my favorite Mexican restaurant. After we ordered Uncle Dan looked at me and said, "Debbie you love to make people laugh, you make me laugh, but Debbie I look into your eyes and I see a deep sadness, you yourself are not happy " Uncle Dan got me thinking and I learned to bring that sadness to the surface and hand it over to God! Aunt Caroline and Uncle Dan taught me how to truly walk with Jesus!! I did not get a chance to tell Uncle Dan that he made me think about what he said and now I may not always be happy in my situations but that I am happy in my soul!! Thank you Uncle Dan I love you and will miss you! I can see you singing with the Angels in Heaven!

“ Danny is my first cousin. We grew up together on the mill village in Roanoke. He lived within a short walking distance from me. We played together at our grandmother and grandfather Brown's house while our parents worked in the cotton mill. We attended church together and I know he witnessed to me. I know he was a true Christian. Even though we went our separate ways after high school, we have always never lost that special memory of our childhood. I pray for Caroline and the rest of the family. He will be missed.

“ Bro. Daniel has been a great personal friend for 38 years. Bro. Dan was a sincere Christian who loved Jesus. I will miss him. One of the highlights of my ministry was when I had Bro. Daniel sing for one of my revival meetings at Bible Baptist Church with Dr. Carl Hatch. It was a super meeting and week!! What precious memories with a long-time friend.

“ Bro Daniel always had a smile and a glad word to say when I passed him in the hallways! I will never forget the time in chapel when Bro. Morales tripped on the way up to pray for the chapel service. Then Bro Daniel got up to sing the chapel special and some of the words were, “Someone slipped and fell” and almost everyone started laughing!!! I have no idea how he finished singing that song that day, but he did!
He will be missed and I am blessed to have known him!

“ Bro. Daniel was always so kind to me when I was a student in college. Loved the devotions he would do in class. Probably the first math teacher that helped math really make sense to me. His singing was a blessing. He and Mrs. Daniels were a great testimony and they were friends to me. Praying for the family at this time!

PS

My favorite singer for many years has now graduated to Heaven. This world was not worthy of him. My dear wife used to accompany him on piano. We both thought the world of him. Though his voice is stilled down here, his influence will live on forever. Thank the Lord He allowed me to walk with greatness. Our sincere love and prayers go with with Mrs. Daniel and the family, and we look forward to that great reunion in the sky one glad day!
