“ Dear Hoover family, I want to say how very sorry I am. I just got a message about Todd passing away. I have been wanting to say hello to him for years and did not know where he was. Many, many years ago in high school that handsome, strong, football player was my first boyfriend. I don't know what ever happened to him and always did. I have notes he wrote me from basic training and my memories will always be fond. I pray he walks with the Lord now and is eternally happy. I am so very sorry. Todd, you were one of a kind!
Love, Patricia Field.
