“ I have so many wonderful memories of Mrs. McPherson, mainly from my childhood up until the first few years of my first child. Mrs. McPherson was such an amazing, sweetest and coolest woman in the world. I fondly remember the greatest memories during The New Kids on the Block era, it was a time where her daughters Kimberly and Masha were my closest friends. We would listen to NKOTB pretty loud from Kim’s room and not get in trouble. Spending the night was super fun. Especially waking up Saturday morning to breakfast made by Mrs. McPherson and us watching NKOTB cartoon. In our teen years where everything seemed complicated. Mrs. McPherson was also someone you can confide in and hear great advice along with a warm hug and would at times say something funny to help me laugh things off. I truly wish more memories of her continued on through my adulthood. There were many moments I would’ve loved to have had a Mrs. McPherson in my life. But I am very grateful for the opportunity of crossing paths at least a couple of times in my life. My heart and condolences goes out to the McPherson family ❤️🙏

“ *I remember me and Tim because so close as friends and I would watch Wrestlemania every year with the family. Ms McPherson would let me know every year when it was coming on to make sure I know it was coming on. I love the whole family, she will be missed.*
