

## William Reed III

November 18, 1958 - September 19, 2020

On September 19th of the year 2020, a great friend, mentor, family man and work horse passed on to the here after by the name of William W Reed III. Mr. Reed, always there for his family, has been a cornerstone of this family since his birth November 18th of 1958, 61 going on 62 years. But who amongst us knows the full story? His brothers and sisters, including the in-laws? His wife of 42 years? His sons? Outlived by many and yet lives in them, including his parent-in-laws, William and Betsy Howe. A thunderstorm when angered. A cuddly bear when in peace. If you have known him, there is no way he did not affect you. And now he is with the spirits, long to be missed. An airman and carpenter, father, brother, husband, son, friend, his story has been finished too soon and yet his pain is over. Rib and heart issues. Quiet depression of losing his only daughter, and the pain he felt seeing his son Steven cower before him – not understanding why. There was so much love in William's heart and so much he wanted to do, but what he would want us to do is live and not just get by but live. He knew that his family is strong, that like a phoenix it could rise. Although he is gone, he will not be forgotten. And his wish for the family to succeed in whatever endeavors that may come and tasks they may seek to undergo be fruitful be heeded.
